As sole owner in the captioned application, National Instruments Corporation hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 to §156 and §173, as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Serial No. 09/737,528 titled "System and Method for Automatically Configuring a Graphical Program to Publish or Subscribe to Data" filed on December 13, 2000.
